

Master of Arts Degree Requirements—45 Credits

Global University's master of arts degree programs require students to complete 45 credits of 3-credit courses. Students may choose to write a 6-credit thesis in lieu of two 3-credit courses. A concentration requires 18 credits within the specified content area. Required core courses include one or more 3-credit courses that will apply to the content area for each degree plan option. Core courses should be taken prior to plan-specific courses. Plan-specific course options are listed for each degree plan. See section on "Graduate Course Descriptions" for additional choices for general electives. Master of arts degree plan requirements follow. See the section above on Advanced Standing for information about reducing the total number of required credits.

MASTER OF DIVINITY DEGREE PROGRAM

MASTER OF DIVINITY (MDIV) DEGREES —78 CREDITS

The master of divinity degree program allows students to choose to follow two distinct tracks:

1. Biblical Language Track
 2. Christian Ministry (English Language) Track
- Students must complete 78 graduate credits beyond the bachelor's degree.
 - Students who have not completed a thesis as part of an earlier graduate degree are strongly encouraged to do a 6-credit thesis.
 - Students who do not complete a thesis as part of the master of divinity degree program will be required to submit a theology of ministry paper in addition to completing all required credits.
 - Students may be allowed to apply all credits from a previous Global University MA degree and graduate certificate to a MDiv degree.

Global University's master of divinity degree program requires a student to complete 78 graduate credits from the following classifications:

Biblical Language Track

Biblical Studies courses: 39 credits (13 courses)

- New Testament: 12 credits (4 courses)
 - Biblical Language: 6 credits (2 courses)
 - Old Testament: 12 credits (4 courses)
 - Theology: 9 credits (3 courses)
- Ministerial Studies courses: 24 credits (8 courses)
- Education: 6 credits (2 courses)

- Leadership: 6 credits (2 courses)
- Ministries: 6 credits (2 courses)
- Missions: 6 credits (2 courses)

General Education courses: 6 credits (2 courses)

- History: 3 credits (1 course)
- Research: 3 credits (1 course)

General Elective courses: 9 credits (3 courses or 1 course plus 6-credit thesis)

Twelve credits of biblical language are required, but Greek language courses completed at the undergraduate level may be used to waive up to 6 biblical language credits. See details below under "Biblical Language Requirements."

Specific course requirements for the master of divinity degree are listed in the section on "Graduate Degree Plan Requirements."

Christian Ministry (English Language) Track

Biblical Studies courses: 36 credits (12 courses)

- New Testament: 12 credits (4 courses)
- Biblical Language: 3 credits (1 course)
- Old Testament: 12 credits (4 courses)
- Theology: 9 credits (3 courses)

Ministerial Studies courses: 27 credits (9 courses)

- Education: 6 credits (2 courses)
- Leadership: 6 credits (2 courses)
- Ministries: 9 credits (3 courses)
- Missions: 6 credits (2 courses)

General Education courses: 6 credits (2 courses)

- History: 3 credits (1 course)
- Research: 3 credits (1 course)

General Elective courses: 9 credits (3 courses or 1 course plus 6-credit thesis)

For the English Language Track a three credit course BIB 5543 *Foundations of Biblical Language* is all that is required. See details below under “Biblical Language Requirements.”

NOTE: A thesis written as part of a master of arts program will not waive the requirement for a theology of ministry paper even though credits from the master of arts thesis may be used to fulfill the thesis requirement for the master of divinity program. A student who writes a thesis for a master of arts degree and a second thesis for a master of divinity degree will not be required to write a theology of ministry paper.

Specific course requirements for the master of divinity degree are listed in the section on “Graduate Degree Plan Requirements.”

Admission Requirements

Applicants must have completed a bachelor's degree from an accredited or recognized school with a minimum GPA of 3.00.

Credit Reduction Policies

- A MDiv student with an undergraduate degree from Global University or another accredited or recognized institution may receive a reduction of up to 21 graduate equivalency credits in the same area. The maximum waiver granted will be based on a ratio of 2 undergraduate credits for 1 graduate credit. Eligible credits will be determined by review of official transcripts that are on file at Global University.
- Global University will apply up to 36 credit hours earned from a previous graduate-level Global University degree program (if applicable).
- Credits earned in a Global University graduate studies certificate may be applied to the MDiv degree.
- The cumulative total of credits from a GU master of arts degree, transfer credits from other accredited institutions, and reduction of credit may not exceed 54 hours.
- Every MDiv candidate must complete at least 24 additional hours of graduate-level credit with Global University.

Transfer of Credit from Other Institutions

Global University accepts transfer of up to a maximum of 36 graduate-level credits into a master of divinity degree program from other institutions of higher learning with recognized accreditation.

Each course considered for transfer of credit must be compatible in content to the Global University graduate

degree or certificate program chosen by the student and must have a minimum grade of B- (or its equivalent).

Transferred credits may not be substituted for RES 5023 *Graduate Research and Writing: Principles and Practice*, RES 6913 *Research Methodology*, or RES 6926 (or degree-plan-specific) *Thesis*. Any deviation from this policy will be at the discretion of the dean.

Transfer of credit previously awarded will be reevaluated for inactive students who reactivate into a current program of study and active students who change to a different program of study. Only transfer of credit that is applicable to the current program of study will be awarded and appear on student transcripts.

MDiv Outcomes

The MDiv is regarded as the first professional degree in ministerial and biblical studies and is designed to prepare students for full-time Christian service: pastoral ministry, church administration, or teaching at the Bible institute or baccalaureate level. Special attention is given to preparing students to teach and proclaim the uniqueness of the Christian faith from a Pentecostal perspective. Students who desire to pursue a doctoral degree will find the master of divinity degree to be foundational for research at the doctoral level. Completion of the master of divinity equips the student to do the following:

1. Teach in Bible schools and colleges, pursue higher educational goals, lead and write for Pentecostal churches in multiple countries and cultures, and be a servant-oriented leader
2. Exhibit character and faith through maturity in personal Christian living, strong interpersonal skills, and servant-oriented leadership
3. Employ valid methods of biblical exegesis
4. Contextualize biblical knowledge and interpretational methods to the needs of his or her community
5. Develop a strong Pentecostal theological perspective
6. Prepare and deliver well-organized, clearly-presented, biblically-based sermons and teaching plans
7. Employ critical thinking and research techniques
8. Engage in research and studies beyond the master of divinity degree

Program Change

A student may request a program change at any time. If a degree audit has already been completed, a change of program fee will apply. If a degree audit has not been completed no fee will be charged.

If Global University requests that a student change from one program to another, a change of program fee and /or degree (or certificate) audit fee will not be required.

Time Limit for an MDiv Degree Program

A student should complete all degree requirements for an MDiv degree within ten years from the date of enrollment in the first graduate course with Global University after being approved as a master of divinity student. This includes the thesis or theology of ministry paper, as applicable, and may require the student to take courses concurrently and / or complete some courses in less than the six-month enrollment period.

Biblical Language Requirements

All students who receive an MDiv degree (biblical language track) are required to complete 12 credits of Greek and / or Hebrew biblical language studies. Greek language courses completed at the undergraduate level may be used to waive up to 6 biblical language credits in the MDiv. A background in these original languages of the Scriptures is required for some graduate courses and will be helpful for all biblical studies courses. BIB 5543 *Foundations of Biblical Language* is the only course required for the English Language track of the MDiv.

A minimum of 12 credits of biblical language are required prior to a student being granted full admission to a doctor of ministry (Bible and theology specialization) degree program.

Some graduate-level biblical language courses require supervised examinations that may include objective and translation components. They may also require subjective evaluation components. See the section on “Graduate Degree Plan Requirements” for additional notes on biblical language requirements.

Practicum Requirements

All students who receive an MDiv are required to complete a 3-credit field-based practicum project that will provide a supervised learning experience to make practical application of academic content covered throughout the degree program.

A student is expected to engage in at least 45 hours of ministry activities directly related to the practicum requirements and objectives over a three-month period. This is in addition to the time required to complete the required reading and writing elements of the practicum. Specific practicum designs and settings may require a greater time commitment on the part of the student.

A practicum project may be fulfilled in a variety of settings, such as a local church, a parachurch ministry, a mission trip, or a Christian school, and may be contextualized to the venue and needs of the student. All practicum projects must be approved by the director of the graduate studies group through which the student is enrolled.

A student must be within 12 credits of completing all other course work for the respective degree (6 credits for a certificate) before enrolling in a practicum. Credit for only one practicum may be applied to a degree or certificate.

The time limit to complete the practicum is six months from the date of enrollment in the course.

Master’s Thesis Requirements

Students who write a thesis as part of a master of divinity degree program will be required to write the thesis on an approved subject or topic that relates to ministry, theology, or biblical studies.

A student who has not completed a thesis as a part of an MA degree program and is admitted to the MDiv degree program is strongly urged to write a thesis for general elective or division elective credit as a part of the MDiv degree program. A student who has completed a thesis as a part of an MA degree program and is admitted to the MDiv degree program may write another thesis in a different content area as a part of the MDiv degree requirements. A student may complete only one thesis for any graduate degree program.

Students who choose to write a thesis are encouraged to begin thinking about a thesis topic immediately after admission to Global University’s Graduate School of Theology. Enrollment in the thesis and appointment of a thesis committee will be allowed after a student has completed RES 6913 *Research Methodology* and is within 12 credits of completing all other course requirements for the degree being sought. See the sections on “Master of Divinity Degree Requirements” and “Graduate Course Descriptions” for the thesis course number for a specific degree plan or content area.

Thesis Completion Time Limit

The time limit to complete the thesis is two years from the date of enrollment in the thesis.

Theology of Ministry Paper Requirements

A student who does not write a thesis as part of a master of divinity degree program will be required to write a theology of ministry paper in addition to completing the 78 credits required for the master of divinity degree program. Students will be required to pay a theology of ministry paper submission fee. The student must receive a passing grade on the theology of ministry paper to graduate with the master of divinity degree program. Those choosing to write a theology of ministry paper must successfully complete it within one year after enrolling in the last course for a master of divinity program and before the end of the time limit specified for the complete program.

Complete instructions for the theology of ministry paper are available upon request or may be downloaded from the Global University website at

<https://www.globaluniversity.edu/pdf/TheologyOfMinistryPaperRequirements.pdf>.

MDiv Degree Requirements—78 Credits

Students anticipating entry into the Doctor of Ministry—Biblical Studies and Theology specialization must complete the requirements of the Master of Divinity—Biblical Language Track. Students anticipating entry into the Doctor of Ministry—Church Ministries specialization may complete the requirements of either the Master of Divinity—Biblical Language or the Master of Divinity—English Language Track.

Global University's master of divinity degree program requires students to complete 78 credits of 3-credit courses. A student may choose to complete a 6-credit thesis in lieu of two 3-credit elective courses in a division-specific or general elective category. The thesis is strongly encouraged for students who have not written a thesis as part of a master of arts degree program. Students who have already completed a thesis as part of a master of arts degree program may choose to complete two 3-credit elective courses in a specific or general elective category, or may write another thesis in a different content area as part of the master of divinity. Core courses should be taken prior to other required courses. Course options are listed for each content category. See course descriptions for additional choices for general electives. Master of divinity degree requirements follow.

2. Exhibit a deepening of personal spiritual disciplines and maturity, integrating them into the traditional Pentecostal heritage and experience through the ethical application of biblical principles in daily life and ministry
3. Apply in a practical manner knowledge from academia and research to life experience in daily ministry activities
4. Create and / or renew support systems for ministry development and longevity
5. Develop solid biblical relationships with peers to attain and sustain joint efforts that are mutually beneficial for long-term effectiveness
6. Demonstrate ability to present solid biblical relationship practices both orally and in writing to provide an enduring legacy to the church
7. Develop advanced research skills and methodologies that will lead to proficiency in research and critical analysis at the highest levels of academic scholarship
8. Integrate faith and academia to reach valid and informed conclusions for application to ministry
9. Train others in the research and critical analysis process to enable them to reach valid and informed conclusions and make wise application of scholarship in ministerial and academic settings

Doctoral Candidacy Requirements

A student is admitted to doctoral candidacy after being fully admitted as a doctor of ministry student, completing 21 credits of doctor of ministry core and specialization courses, and successfully completing the doctoral candidacy exam.

Program Change

At the time a student applies to the Graduate School of Theology for admission as a doctor of ministry student, a degree audit report will be completed if the student qualifies for transfer of credit. A student may request a program change at any time. If a degree audit has already been completed when the change is requested, a change of program fee will apply. If a degree audit has not been completed no fee will be charged. Please note that any transfer of credit previously awarded will be reevaluated for students who change to a different program of study. Only transfer of credit that is applicable to the current program of study will be awarded and appear on student transcripts.

Also see sections on "Degree (or Certificate) Audit Report" and "Transfer of Credit from Other Institutions."

DMin Prerequisites and Credit Deficiencies

A student who has earned a master of arts or equivalent degree comparable to that offered by Global University, but who has not previously earned a degree comparable to the 78-credit master of divinity degree offered by Global University, may be granted provisional admission as a doctor of ministry student.

A student who has been granted provisional admission must satisfy the course requirements for the master of divinity degree, as offered by Global University, prior to being granted full admission and allowed to enroll in courses for the 30-credit doctor of ministry degree. The exact number of credits required and the focus of the courses to be completed will be determined by the director of doctoral studies according to procedures and course evaluation criteria established by Global University. These requirements will be presented to the student in an individualized learning contract.

A doctoral student who has been granted provisional admission will be allowed to enroll in pre-doctoral graduate courses indicated in the individualized learning contract prepared for the student.

A student who has been granted provisional admission to a doctor of ministry degree program based on a deficiency in prerequisites or required credits must satisfy all pre-doctoral credit deficiencies within a maximum of ten years from his or her enrollment in the first deficiency course. The exact time limit to satisfy provisional admission credit deficiencies and be granted full admission as a doctor of ministry student will be determined by the actual number of credits needed by the individual student to total the 78 graduate credits required. All credit deficiencies must be satisfied and full admission granted prior to a student beginning coursework for the 30-credit doctor of ministry degree.

Time Limit for DMin Degree Programs

A student who has been granted full admission to a doctor of ministry degree program, based on completion of all pre-doctoral studies requirements, must complete all doctor of ministry degree requirements in no fewer than two years and no more than six years from the date of enrollment in the first graduate course with Global University after being granted full admission as a doctor of ministry student. The six-year limit includes the doctoral dissertation project and may require the student to take courses concurrently and / or complete some courses in less than the six-month enrollment period.

Biblical Language Requirements

A minimum of 12 credits of Greek and / or Hebrew biblical language studies are required prior to a student being granted full admission to the Bible and theology specialization of the DMin degree program.

Some graduate-level biblical language courses require supervised examinations that may include objective and translation components. They may also require subjective evaluation components. See the section on “Graduate Degree Plan Requirements” for additional notes on biblical language requirements.

Doctoral Candidacy Examination Requirements

A student must complete a supervised comprehensive doctoral candidacy examination with a score of 83% (3.00) or higher prior to being granted doctor of ministry degree candidacy status. The student is eligible to apply with the director of doctoral studies to take the candidacy examination after completing all course requirements for a master of divinity degree and all doctor of ministry degree core and plan-specific courses. Each doctoral student must successfully complete an individualized supervised comprehensive doctoral candidacy exam within three months after he or she completes the last of the core and specialization course requirements for a doctor of ministry degree program in order to be considered for candidacy and allowed to enroll for the doctoral dissertation project research and proposal course. A student must have a grade point average of 3.00 or higher for all graduate-level courses completed with Global University to qualify to apply for doctoral candidacy.

Students will be required to pay a doctoral candidacy examination fee. A student who has not been granted doctoral candidacy will not be allowed to enroll in doctoral dissertation courses.

Doctoral Dissertation Requirements

All doctor of ministry degree candidates will be required to complete a doctoral dissertation project to fulfill degree requirements. The dissertation project is comprised of two parts: (1) research and proposal and (2) writing and defense. To complete the project requirements, the student will be required to enroll in RES 8953 *Dissertation Research and Proposal* to research a topic and complete a dissertation project proposal approved by the student’s doctoral dissertation project advisor and Global University’s director of doctoral studies (hereafter referred to as director). The student will then enroll in RES 8966 (or degree-specific) *Dissertation from Idea to Bound Volume*. A student may complete only one dissertation project for a doctor of ministry degree program.

Students are encouraged to begin planning for the dissertation project immediately after admission to Global University’s Graduate School of Theology as a doctor of ministry student. Enrollment in RES 8953 and appointment of a dissertation project advisor will be allowed after a student has been admitted to candidacy in the doctor of ministry degree program. Admission to candidacy requires a student to successfully complete all required doctoral core and specialization courses and the doctoral candidacy exam.

Enrollment in RES 8966 and appointment of a dissertation project committee will be allowed after a student’s doctoral project proposal has been approved by the project advisor and the director and / or dean. See the sections on “Graduate Course Descriptions” for the doctoral dissertation course number for a specific degree specialization.

Doctoral Dissertation Project Time Limit

The time limit to complete the doctoral dissertation project is two years from the date of enrollment in RES 8966 *Dissertation From Idea to Bound Volume*.
